Event Manager
Managed a College Fest at J G College of Computer Application

📅 April 2021-2022

INTERESTS

- Reading.
- Coding.
- Exploring places

PROJECT

OTT System

📅 September 2023 - November 2023

• Created a SQL-based database for an OTT (Over-The-Top) platform, implementing robust data management, efficient querying, and seamless integration to enhance the platform's content delivery, user experience, and overall performance.

• **Guide:** prof Manish Khare

Ecommerce Website

📅 March 2023 - April 2023

• Developed an online furniture and electronics store website using HTML, CSS, JavaScript, PHP, and MySQL, enabling customers to browse, shop, and complete transactions securely from the comfort of their homes. The website seamlessly integrates these technologies to provide a user-friendly and efficient online shopping experience.

• **Guide:** Prof. Nirali Kansara

ACHIEVEMENTS

- Engaged in extensive problem-solving on LeetCode, Codeforces, geeksforgeeks
- Outstanding performance at some of the academics courses.
- Effectively managed an event.
